

# The Standing Committee on Public Accounts

## Appointment and Composition of the Committee

The Standing Orders of the Legislature provide for the appointment of an all-party Standing Committee on Public Accounts. The Committee is appointed for the duration of the Parliament (that is, the period from the opening of the first session immediately following a general election to the end of a government's term and the calling of another election).

The membership of the Committee reflects proportionately the representation of parties in the Legislature. All members except for the Chair are entitled to vote on motions; the Chair's vote is restricted to the breaking of a tie.

In accordance with the Standing Orders, a Standing Committee on Public Accounts was appointed on June 17, 2004, for the duration of the 38th Parliament. The membership of the Committee when the House adjourned for the summer recess on June 22, 2006, was as follows:

Norm Sterling, Chair, Progressive Conservative  
Julia Munro, Vice-chair, Progressive Conservative  
Lisa MacLeod, Progressive Conservative  
Shelley Martel, New Democrat  
Deb Matthews, Liberal

Bill Mauro, Liberal  
John Milloy, Liberal  
Richard Patten, Liberal  
David Zimmer, Liberal

## Role of the Committee

The Committee examines, assesses, and reports to the Legislature on a number of issues, including the economy and efficiency of government operations; the effectiveness of programs in achieving their objectives; controls over assets, expenditures, and the assessment and collection of revenues; and the reliability and appropriateness of information in the Public Accounts.

In fulfilling this role, pursuant to its terms of reference in the Standing Orders of the Assembly, the Committee reviews the Auditor General's Annual Report and the Public Accounts and reports to the Legislature its observations, opinions, and recommendations. Under the Standing Orders, the documents are deemed to have been permanently referred to the Committee as they become available.

As well, under sections 16 and 17 of the *Auditor General Act*, the Committee may request the Auditor General to undertake a special assignment in an area of interest to the Committee.

## AUDITOR GENERAL'S ADVISORY ROLE WITH THE COMMITTEE

In accordance with section 16 of the *Auditor General Act*, the Auditor General and senior staff attend committee meetings to assist the Committee in its review and hearings relating to the Auditor General's Annual Report and the Public Accounts.

## Committee Procedures and Operations

### GENERAL

The Committee meets weekly when the Legislature is sitting. The Committee can also meet during the summer and winter when the Legislature is not sitting. All meetings are open to the public with the exception of those dealing with the setting of the Committee's agenda and the preparation of committee reports. All public committee proceedings are recorded in Hansard (the official verbatim report of debates in the House, speeches, other proceedings in the Legislature, and all open-session sittings of standing and select committees).

The Committee selects matters from the Auditor General's Annual Report and the Public Accounts for hearings. The Auditor General, along with the Committee's researcher, briefs the Committee on these matters, and the Committee then requests senior officials from the auditee to appear and respond to questions at the hearings. Since the Auditor General's Annual Report and the Public Accounts deal with administrative and financial rather than policy matters, ministers rarely attend. Once the hearings are completed, the Committee reports its comments and recommendations to the Legislature.

The Committee also follows up on when and how those ministries and Crown agencies not selected for detailed review will address the concerns raised

in the Auditor General's Annual Report. This process enables each auditee to update the Committee on activities undertaken since the completion of the audit, particularly any initiatives taken to address the Auditor General's recommendations.

## Reports of the Committee

### GENERAL

All committee reports are available through the Clerk of the Committee (or online at [www.ontla.on.ca/committees/reports.htm](http://www.ontla.on.ca/committees/reports.htm)), thus providing the public with full access to the findings and recommendations of the Committee.

After the Committee tables its report in the Legislative Assembly, it requests that ministries or agencies respond to each recommendation either within 120 days or within a time frame stipulated by the Committee.

During the period from October 2005 to September 2006, the Committee submitted the following reports to the Legislative Assembly:

### FOLLOW-UP OF RECOMMENDATIONS MADE BY THE COMMITTEE
